Freemasonry Laid the Foundation

It is a fact of which the Craft in America may well be proud, that the first men of the Revolution, those who were greatest and had the largest share in fighting the battles of freedom and laying the foundation of the nation, were mostly Masons.

Washington, Franklin, Warren, Lafayette, Green, Putnam, Marshall and probably others were members of the Order. They were the workmen who laid the cornerstone of this mighty fabric in fraternal fellowship and enduring permanence, and their sons and successors owe it to themselves and their children, as well as to the memory of these illustrious men who won the inheritance for them, to preserve and perpetuate the bequest.

It is also a noticeable historic fact that the cornerstone of the first Capitol at Washington was laid by the Craft, with Masonic ceremonies, in the presence of the great Washington who, though President of the United States, thought it not beneath his dignity to appear in Masonic costume on that occasion: the cornerstone of the present Capitol was laid also by the Craft. It may truly be said that Masonry laid the foundations of the national fabric.—*Masonic News*.

Foreword

It is not our purpose to write a history, but to record certain facts that we think will be most interesting to you, and to the families and friends of members of this lodge, past, present, and future.

Kilwinning Lodge No. 64 was first organized and received a charter in 1813. The records indicate that our predecessors were quite lax in that they not only made no reports, but paid very little to the Grand Lodge. In spite of this we were often represented in the Grand Lodge, usually by Boggan Cash.

In 1851 Kilwinning was reactivated and rechartered. It is under this charter that we now operate.

Gulledge Memorial Lodge No. 597, Chartered January 10, 1912 was consolidated with Kilwinning on March 25, 1926.

In the 1912 report of Gulledge Memorial to the Grand Lodge the officers were as follows:

Dr. J. E. Hart, W.M.; E. L. Huntley, S.W.; B. C. Jones, J.W.; J. P. Ratliff, Treasurer, and M. E. Lowery, Secretary.

Lilesville Lodge No. 582, Chartered January 12, 1910, was consolidated with Kilwinning on October 24, 1930.

A 1913 report of Lilesville Lodge to the Grand Lodge gave officers as follows:

E. P. Liles, W.M.; M. P. Wall, S.W.; W. B. Flake, J.W.; W. R. Boggan, Treasurer, and W. R. Cox, Secretary.

“The Masonic Hall”

The “Masonic Hall” in Wadesboro which was originally located at the southwest side of the intersection of Greene and Morgan streets, as we long-time residents remember, was a landmark in Anson County. It was approximately ninety-nine years of age at the time it was moved to its present location on South Greene Street. The real estate records in the office of the Register of Deeds for Anson County disclose that the land on which it was situated was conveyed to James D. Horne by Leon D. Edwards on September 18, 1899 (Deed Book No. 33 at page 348) with this reservation:

“This conveyance is made subject to a lease in favor of Kil-winning Masonic Lodge for ninety-nine years from the beginning of said lease, of the upper story of the house called the Masonic Hall.”

The first mention in the Anson Registry to this lease is found in the deed from Addison C. Moore dated October 22, 1857 (Book No. 15 page 353) and refers to “the building recently created by said Moore.”

This lease is a lost document although a thorough search has been made of every logical place, including the Corner Stone of the building laid about 1932; so on January 19, 1951 after much searching and many consultations with the owners of the property by a committee composed of Dr. J. F. Williamson, E. A. Hightower, and G. K. Craig, an agreement was entered into setting April 22, 1955 as the expiration date of the lease.

At this time negotiations with the owners of the property by a committee composed of George K. Craig, Chairman, J. F. Williamson, E. A. Hightower and C. H. “Buck” Burns for the purchase of the building were carried on. Brothers Burns and Hightower (after the owners had intimated that they would sell the building but not the lot), contacted Crouch Brothers, of Mooresville, N. C., who agreed to move the building to its new location for \$2,000.00.

Mrs. F. M. (Elizabeth Ingram) Little, in loving memory of

her father John Billingsley Ingram (1855-1907) and her husband Frank Milton Little (. . . -1905) departed members of Kil-winning Lodge No. 64 A.F. and A.M., gave the option dated July 26, 1951 and later the deed dated October 18, 1951 for the lot on South Greene Street for the present site; so after much bargaining the building was purchased from the owners by Bill of Sale dated September 14, 1951 (Book 115 page 319) at the price of \$500.00, moved by Crouch Brothers for \$2,000.00 and placed on the lot. The moving commenced on or about November 12, 1951.

The Lodge was the owner of \$1,200.00 in Government Bonds and fifteen shares of Anson Building and Loan Stock worth \$1,500.00. The Finance Committee, with Brother Fred M. Mills as Chairman, and the generosity of the brothers and friends of the Lodge, raised the balance of the funds necessary to completely renovate, remodel and improve our building. A brick foundation was laid under the building and work was stopped for about two years when Brother J. F. Williamson, Past Master, and member of the Building Committee, decided the work should be completed, took a more or less leave of absence from his Dental Office, and with counsel he sought and received from Brother Frank Little, (son of Brother H. W. Little, deceased), Brother J. P. Maxwell, Brother Benjamin W. Ingram, Sr., members of the Eastern Star, other brothers and friends too numerous to mention, "took the bull by the horns" and in co-operation with Brother J. P. Maxwell, a Building Contractor, produced a building second to none and of which we are all justly proud. Mr. T. M. Little, another son of Brother H. W. Little, deceased, gave Brothers Williamson and Maxwell much help in the planning and work.

Brothers W. E. Rayle and Benjamin S. Kelly completely re-wired the building for electricity and Brother Paul Bennett Little made many valuable contributions including the gas heaters. Brother Paul J. Kiker, of the Building Committee, was most helpful in the obtaining of the option, deed and in the other paper work.

For some years this work needed to be done in order to provide a permanent home and when the time came it was

wonderful and inspiring to see how the majority of the members responded with time, money, and labor.

Kilwinning Lodge will forever be indebted to Past Master J. F. Williamson as the present building is a monument to his faithfulness to the tenets of masonry.

Of course the members and friends who do so much, are often, and probably in this matter, neglected, and humble apologies are made for this.
